

Pranav Bhalerao

8482478482 | pranavrbhalerao@gmail.com | Edison, NJ

Education

Stanford University | Stanford, CA

B.S. Mathematics and Computer Science | 06/2030

Incoming freshman, Fall 2026

John P. Stevens High School | Edison, NJ

06/2026

- GPA: 3.95/4.0 UW, 5.72/6.33 W (Top ~4%)
- SAT: 1590
- AP Scores: AP Calculus BC, AP Physics 1, AP English Language, AP US History — all 5s

Experience

Stanford University

Automatic Speech Recognition Researcher | 07/2025 - Present

- Co-first author on paper initially accepted to ACL 2026; revised submission for EMNLP 2026.
- Analyzed how architectural inductive bias shapes hierarchical learning across 24 ASR models and 28 speech features.
- Found Transformers develop integrated processing strategies while Conformers adopt depth-specialized pathways; produced 50+ visualizations.

UChicago

Marathi Literature Lexicon Project | 03/2025 - Present

- Analyzing dialect-heavy Marathi literature to extract, define, and contextualize archaic vocabulary for a learner-focused lexicon.
- Building structured lexical entries in English and simplified Marathi to improve accessibility for students.

Susquehanna International Group

High School Discovery Day | 05/2026

- Invited to SIG's exclusive high school event covering quantitative trading and finance.

Y Combinator

Startup School 2026

- Selected from 30k+ applicants to attend YC's in-person founder program in San Francisco.

Hindu YUVA Club | JP Stevens HS

President

- Organized large-scale cultural events as President, growing club participation and campus visibility.
- Collaborated with other faith-based clubs for interfaith events and dialogue.

Skills

Python, Pandas, NumPy, scikit-learn, SQL, Jupyter, Matplotlib, Git, PostgreSQL

Awards

- National Merit Scholarship Finalist (Top ~1% nationally)
- 1st Trumpet — NJ All-State Band
- Recipient of \$9,550 in merit-based scholarships
